Dear Mr. Vice President:

Thank you for taking the time out of your horrendous schedule to join us in the dedication of our new building. I am sure you could feel the warmth and respect which this Agency holds for you. We are also grateful for your very kind words about Bill Casey, who indeed has been a marvelous leader of this Agency and an inspiration to all.

The reception afterwards was a continuous buzz of the enthusiasm which you show for our great organization, and everyone could not help but remark about your indignation over Hill staffers and how they treated us in times past.

Again, thanks for coming. With best wishes for continued success and our respect.

Warm regards,

John N. McMahon
